- Owners who see unattended dogs or other rule violations should **call 911**.

#### **Good Petiquette**

- Always carry a leash (if you need it, you have it).
- Please help keep the area clean by picking up any visible dog feces. Even responsible pet owners get distracted.
- Off-leash areas are shared for a variety of activities so please be respectful of other users (eg. large breed & small breed groupings). Keep your dog controlled and from interfering with other people and their dogs (especially the leashed ones).
- Remember, you are fully responsible for your dog and his actions.
